Iron Deficiency is a health issue affecting people of different age groups. Iron may be given as an intravenous infusion to help rectify this deficiency.

The Infusion Centre at Frankston Private Hospital offer direct referral for Iron Infusions, for patients with Private Health Insurance. Uninsured patients are also welcome, contact us to clarify out of pocket costs.

Please contact 8796 1324 to make an appointment and bring this referral with you on your treatment day.

Refreshments will be provided, you may eat and drink normally before your appointment.

If you would like more information on this treatment or have any concerns please contact the Unit Manager on **8796 1324**.

Parking is available onsite.
